Product Description

Mini Peltier Dehumidifier 750ml With LED Indicator For Home Bathroom Car

Peltier dehumidifier ,this type of dehumidifier is particularly useful in areas where traditional dehumidifiers may be too bulky or noisy. It is also energy-efficient, making it an eco-friendly choice for maintaining a comfortable and dry environment. Additionally, the portability of the device allows users to move it from one space to another as needed, providing flexibility in use.
Overall, a portable semiconductor dehumidifier is an excellent solution for those looking to manage humidity levels in a convenient, quiet, and energy-efficient manner. Its compact size and ease of use make it a popular choice for both residential and commercial applications.

Product Specification

Model	DH075GE-A1
Rated Power	60W
Dehumidification	600ML/day±20% (80%RH 30)
Water Tank	1.2L
Coverage Area	<=25
Product size	231*130*376mm
