Basic Information

- Place of Origin: China
- Brand Name: Envitek
- Certification: ETL CB EMC LVD ERP
- Model Number: FW300-A1
- Packaging Details: color box+master carton
- Delivery Time: 30
- Payment Terms: L/C, T/T, Western Union, MoneyGram
- Supply Ability: 10000 PCS/MONTH

Product Specification

- Product Name: White Food Composter
- Custom: OK
- Net Weight: 10kg
- Feature: One Button Control
- Capacity: 2.5L
- Color: White
- Highlight: Kitchen Food Waste Composter, Countertop Food Waste Composter, White Food Waste Composter

Product Description

White Countertop Food Waste Composter For Kitchen

Product Description

The Food Waste Disposer is a revolutionary appliance. It turns kitchen waste into fertilizer in 4 - 8 hours. With one-button operation, it calibrates work time based on waste moisture. It simplifies kitchen tasks and cuts cleaning time, helping the environment.

The machine operates in three phases. First, drying: high heat removes most waste moisture for decomposition. Then, grinding: strong bucket blades quickly crush waste for fertilizer. Finally, cooling: after grinding, the bucket cools so it can be safely removed.

Product Specification:

Model	FW300-A1
Sound Level	<=55 dB(A)
Power	500 W
Capacity	2.5L
Product size	L318*W255*H317.7mm
Filter	Activated Carbon

Product Features:

- * Turn your waste to fertilizer by 2-4 hours
